

# MY DIGITAL LIFE – ART IN MOTION

## DIGITAL FILM CLASSES

### CREATING CONTENT FOR CONFESSIONS OF A TEENAGE CRITIC TV SHOW

READY FOR YOUR 15 MINUTES OF  
FAME??

Come tell us a little bit about  
yourself while discovering the  
excitement of filmmaking,  
animation and digital storytelling.

Through research, demonstration, visual presentation and hands-on assignments students will learn the artistic process required to communicate through the medium of digital film. Students will be taught commercial film and video skills in order to create a unique piece of art that can be used to evoke thought, create emotion and inspire knowledge. These digital stories by youth, for youth and about youth will become content featured on the RI Arts Learning networks' "Confessions of A Teenage Critic" PBS Series.
