

## **Parent/Caregiver Computer Use Policy**

1. Only a parent/caregiver who is accompanied by a child age 12 or under and is present in the Children's Library is allowed to use the Parent/Caregiver computer.
2. Patrons must sign on with their own valid *Ocean State Libraries* library card.
3. Session length is one hour. Extra time is automatically offered when no one is waiting. Maximum session length is two hours per day library wide. Reservations may be made at the Reservation Station.
4. All parent/caregivers must actively attend to the child under their care or their computer session will be terminated. See *Unattended Children Policy*.
5. Parent/caregivers who repeatedly fail to watch the child under their care while using a computer may be denied library computer access for up to six months.
